PART A: STRATEGIC OVERVIEW

1. ESTABLISHMENT OF THE DISTRICT

1.1 Location and Size

The Akuapem North Municipal Assembly was upgraded from a District to a Municipal in 2012 by Legislative Instrument (L.I.) 2024. The District was created out of the then Akuapem District Council (ADC) Legislative Instrument (L.I.) 1430, 1988 in pursuance of the Government's Decentralization Policy and with Akropong as its capital.

The Municipality is located in the south-eastern part of the Eastern Region about 58km from Accra on the Akuapem-Togo Range. It shares boundaries with the New Juaben Municipal Assembly to the North, the Akuapem South Municipal Assembly to the South-East, the Okere District Assembly to the West and the Dangbe West Municipal Assembly to the South. The Municipality has a landmass area of about 480sq.km.

POPULATION STRUCTURE

From the 2010 Population and Housing Census, it was established that the population of the Municipality was growing at a rate of 2.1%. Based on this, projections were made for the 2011-2021 plan period with 2010 as the base year. Table below shows the estimated population for the period 2011-2021.

Projected Municipal Population

YEAR	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019	2020	2021
POPULATION	136,483.00	139,349.14	142,275.48	145,263.26	148,313.79	151,428.38	154,608.37	157,855.15	161,170.11	164,554.68	168,010.33	171,538.55

2. VISION

To create a sustainable modernized Municipality through the delivery of world class services.

3. MISSION

The Municipal Assembly exists to improve the living conditions of the people through efficient mobilization and equitable distribution of resources to enhance local development.

4. GOALS

The development goal of the Assembly is to improve upon the living conditions of the people through effective and efficient mobilization and utilization of resources with particular reference to community participation.

5. CORE FUNCTIONS

The core functions of the Assembly as stated in Section 12 of the Local Governance Act 936, 2016 include exercising executive, deliberative and legislative functions. Specifically:

1. Initiate and prepare district development plans and settlement structure plans in the manner prescribed by the guidelines.
2. Ensure that the district development plans and the settlement structure plans are prepared with the full participation of the local community;
3. Carry out studies on (i) development planning matters in the district that include studies on economic, social, spatial, environmental, sectoral and human settlement issues and policies; and (ii) the mobilisation of human and physical resources for development in the district;
4. Initiate and co-ordinate the process to plan, programme, budget and implement a district development plan, programme or project;

5. Integrate and ensure that sector and spatial policies, plans, programmes and projects of the district are compatible with each other and with national development objectives issued by the Commission;
6. Synthesize the policy proposals on development planning in the district into a comprehensive framework for the economic, social and spatial development of the district including human settlements and ensure that the policy proposals and projects are in conformity with the principles of sound environmental management;
7. Monitor and evaluate the development policies, programmes and projects in the district; and
8. Provide the Commission with the data and information that the Commission may require.

6. DISTRICT ECONOMY

a. AGRICULTURE

Agriculture being the mainstay of the economy of the Municipality offers employment to about 60% of the population. The Municipality is endowed with arable land suitable for cultivation of cassava. Plantain, maize, pawpaw, oranges and vegetables such as cabbage, lettuce, carrots, sweet green pepper, okro and garden eggs. Livestock rearing is also done in the area.

b. MARKET CENTER

The Municipality has only one main Market, the Adawso Market. Market activities are mostly vibrant on Tuesdays and Fridays.

c. ROAD NETWORK

Roads in the Municipality can be classified into 3 categories- first, second and third. The first represents asphalt, second, bitumen surfacing and the third, graveled roads. The first class roads start from Obosomase through Mamfe to Akropong. The second class links Mamfe to Koforidua and also Mamfe to

Akropong as well as certain parts of Mampong and Akropong. The third class roads are basically feeder roads in farming communities.

d. EDUCATION

The Municipality has all the levels of Education – basic, second cycle and tertiary; with quite a number being privately owned:

The public institutions constitute 75% whilst the private institutions constitute 25%.

There are three (3) special schools in the Municipality as indicated below:

NO	LEVEL	NUMBER OF SCHOOLS

e. HEALTH

Akuapem North Municipality has Tetteh Quarshie Memorial hospital as its main Hospital with other government health centres at Daakye (Akropong), Larteh, Adawso, Osabene, Mangoase etc. There are other private hospitals such as Medicas Hospital located at Mampong which provides clinical services including orthopedics and Akuapem North Clinic. There are also two newly constructed CHPS Compound at Obosomase and Okorase which are yet to be commissioned.

f. WATER AND SANITATION

Akuapem North has a long standing perennial water problem which is gradually being solved by drilling of boreholes by individuals, the Municipal Assembly and Development Partners. Few communities are served by the Ghana Water Company.

The urban centres within the Municipality are mostly clean with refuse being managed by the Assembly through contracted service providers. Refuse containers are regularly carried to the final disposal site at Kwamoso. Individuals in the rural communities, however, try to manage their own refuse disposal through burning and burying waste leading to indiscriminate dumping of refuse and sporadic pollution.

g. ENERGY

Almost all the communities in the Municipality are connected to the national grid.

BUDGET SUB-PROGRAMME SUMMARY

PROGRAMME 1: Management and Administration

SUB-PROGRAMME 1.1 General Administration

1. Budget Sub-Programme Objective

- To provide administrative support and ensure effective coordination of the activities of the various departments and other institutions under the Municipal Assembly.
- To ensure the effective functioning of all the sub-structures to deepen the decentralization process.

2. Budget Sub-Programme Description

The General Administration sub-programme looks at the provision of administrative support and effective coordination of the activities of the various departments through the Office of the Municipal Co-ordinating Director. The sub-programme is responsible for all activities and programmes relating to general services, internal controls, procurement/stores, transport, public relation and security.

The core function of the General Administration unit is to facilitate the Assembly's activities with the various departments, institution, and traditional authorities and also mandated to carry out regular maintenance of the Assembly's properties. In addition, the Municipal Security Committee (MUSEC) is mandated to initiate and implement programmes and strategies to improve public security in the Municipality.

The Internal Audit Unit is authorized to spearhead the implementation of internal audit control procedures and processes to manage audit risks, detection and prevention of misstatement of facts that could lead to fraud, waste and abuse to the Assembly.

Under the sub-programme the procurement processes of Goods and Services and Assets for the Assembly and the duty of ensuring inventory and stores management is being led by the Procurement/Stores Unit.

The number of staff delivering the sub-programme is forty-seven (47) with funding from GoG transfers (DACF, DACF-RFG etc.) and the Assembly's Internally Generated Fund (IGF). Beneficiaries of this sub-program are the departments, Regional Coordinating Council, institutions, traditional authorities, non-governmental organizations, civil society organizations and the general public.

The main challenges this sub programme will encounter are inadequate, delay and untimely release of funds and inadequate logistics such as vehicles, computers and Furniture.

SUB-PROGRAMME 1.3 Human Resource Management

1. Budget Sub-Programme Objective

- To achieve institutional performance goals that are linked to the individual and team performance objectives, as the basis for measuring performance results and merit.
- To provide Human Resource Planning and Development of the Assembly.
- To develop capacity of staff to deliver quality services.

2. Budget Sub-Programme Description

The Human Resource Management seeks to improve the departments, division and unit's decision making and build capacity of the manpower which will ultimately improve the workforce and organizational effectiveness. In carrying out this sub-programme it is expected that productivity would be enhanced at the Assembly as well as decision making in the management of Human Resource.

Major services and operations delivered by the sub-program include human resource auditing, performance management, service delivery improvement, upgrading and promotion of staff. It also includes Human Resource Management Information System which ensures frequent update of staff records through electronic means, guaranteeing efficient and good salary administration, facilitation of recruitment and selection as well as postings of competent staff to fill available vacancies at the Assembly.
